

# The Go! Pro Marketing Package

Over the years we have met with many individuals like yourself who are interested in learning more about online marketing and social media, but not sure where to start.

As we are celebrating our 9th anniversary this year, we have brought back one of our popular exclusive packages featuring the professional services of our founder, at a great discount just for you!

## **Go! Pro Marketing Package!**

This transformative business marketing package features our CEO and founder, Christopher Tompkins who will perform a thorough review of your business's marketing strategy and provide the insider insights that you need to bring your business more success and generate more sales.

Included in this package is a custom face-to-face strategy meeting which will cover:

- A full audit of your branding
- A full audit of your marketing plan, and budget
- A full audit of your social media marketing and online presence

At the end of your customized consultation, you'll receive:

- A step-by-step action plan
- A customized checklist of to-do items
- Numerous support and reference documents that will help you:

- \*Create your marketing plan and schedule
- \*Create your social media plan and schedule
- \*Create your content calendar
- \*and lots of other exclusive pieces

This package, a \$1,250 value, is being offered for our special connections such as you for the one-time fee of \$299! A discount of nearly \$1,000!

Who would benefit from this plan? In short, ANY business that wants to increase sales, online recognition, status, professionalism, and profitability. Please share this with any Business Owner, CEO, Business Partner, Marketing Manager, Office Manager, Sales Manager, Recruiter, or Decision Maker within any business that would like to see their online marketing soar!
